

Remembering Raven: Cheyenne

Filesize: 4.49 MB

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Mrs. Josiane Collins)

For a limited time, you can get the prequel to the Remembering Raven series, Always Mine, for free - visit to start reading today. What started as a regular day in the life of Raven LeClaire, co-owner of The Little Shop of Secrets, an occult book shop in the French Quarter of New Orleans, turns into something much different. Her rather routine life as a Tarot card reader at the shop comes to a halt as private investigator, Viktor Thorssen, enters the shop. Tall, blonde and gorgeous, Viktor actually wants to question Raven. One of her Tarot clients, Cheyenne Moreau, went missing after she left the shop following a reading from Raven and hasn't been heard from since. Raven experiences an immediate and physical reaction to Viktor. She feels an attraction to him like she has never experienced. She is also positive that she has seen him somewhere, but he denies it and she cannot remember. What Raven does not know is that Viktor holds some secrets that will put her life into even greater turmoil. He recognizes her and knows exactly where they met and how much they once meant to each other. It is all he can do to control himself, and let her remember on her own. Although Raven may enjoy learning this secret, Viktor's other secret is dark and deadly. If Raven discovers this part of him, she may run far away, and he will lose her forever. He must keep that from happening at all costs for, if he were to lose her again; it would destroy him. Interview with the Author: Q - So, what makes the Remembering Raven...
