

Student s Choice Regents Review Algebra 2/Trigonometry

By Henry Gu

Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. 250 x 198 mm. Language: English . Brand New Book ***** Print on Demand *****.When students have only 4 to 6 weeks to review for the Regents exams, they cannot benefit from the lengthy review books and overwhelming information from the websites. Our students need one review book that should be concise and efficient to help them succeed with high scores on the test. Different books, different results. This book reviews all the important math topics and uses real Regents questions and shows all the necessary steps to solve these problems. Its clear format is like no other.

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
