Beyond the confines of our small world, far from the glow of our star, lie a galaxy and universe much larger and more varied than anyone on Earth can possibly imagine. For the new NAC spacecraft Odyssey and her crew, the unimaginable facets of this untouched world are about to become reality. The Odyssey s maiden voyage is an epic adventure destined to make history. Captain Eric Weston and his crew encounter horrors, wonders, monsters, and people, all of which will test their resolve, challenge their abilities, and put in sharp relief what is necessary to be a hero. A first-rate military science fiction epic that combines old-school space opera and modern storytelling, Into the Black: Odyssey One is a riveting, exhilarating adventure with vivid details, rich mythology, and relentless pacing.
