Createspace, United States, 2011. Paperback. Book Condition: New. 201 x 130 mm. Language: Chinese . Brand New Book ***** Print on Demand *****.Each Chinese character, after going through several thousand years of evolution, is like an abstract piece of art. To be able to understand and read Chinese in minutes, surely it is not only a miracle, but also a special life experience for every English speaker. Steve Jobs was a great thinker and successful loving soul. In 2005, he made a commencement address at the Stanford University in America. He encouraged students to find what you love. In this miracle book we will help you read this portion of his speech in Chinese and write the Chinese characters! You've got to read this book to experience the miracle! In this book, you will learn more than 100 Chinese characters (actually every Chinese thinks these characters are words) in context. If you'd like to learn another 500 Chinese characters in famous Chinese stories and easy songs with audio files, the following are excellent books to read.
