MARRIAGE FAMILY IMPROVEMENT

Xulon Press, United States, 2007. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Is your marriage and family in need of improvement? There is hope and help for every hurting heart. The author gives simple and powerful hints in improving the marital relationship and building a stronger family. He presents the importance of a Christ-centered attitude, seven C s for a healthy relationship, and other techniques for improving and maintaining a healthy and lasting marriage. The road to a stronger family is under construction. We know that hands may build a house, but hearts filled with the love of Christ build a home. My prayer is that this small book will have a big impact on the family. Emanuel is a professional Christian counselor who believes that our problems are not bigger than God, but that God is bigger than our family problems. Emanuel Viv John is an experienced Christian counselor who has provided counseling services at Hospitals and at his office. He has four Degrees, and is licensed by the State of Florida as a Clinical Social Worker. He is a Diplomat in Clinical Social Work, and is a chartered member of the American Association of Christian Counselors. He is now a full time servant of the Lord with a passionate love for the Lord, families, and precious souls. He has written the book Resolving Family Conflicts - How to Prevent Breakdowns and Breakups. He has also written several articles, and conducted family seminars. Emanuel and his wife Pamela live in Florida, and have a daughter Abigail who is now residing in California.
