## STILL PLAYING IN THE DIRT: SEVENTY YEARS OF STALKING TARZAN AND MOTHER NATURE

DOWNLOAD

BookBaby, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Rose Perlmutter has spent a lifetime pursuing adventure and peace in the outdoors. In this memoir, she uses her nature lens to examine the stages of that life. Poignant, humorous, and snarky chapters deal with belonging, parenting, Women s Lib, body image, outdoor snobbery, death, and even sex. As a child, Perlmutter studied outdoor education books and knew what to do in an emergency. If you were bitten by a snake, she was prepared to cut you with a knife and suck out the poison. If you were being stalked by a bad guy, she could teach you to step softly, soundlessly in the forest. Since there was no forest in Yonkers, New York, she taught herself to step softly, soundlessly around the hardened dog turds in front of her apartment house. Going to the country was a treat for city apartment house dwellers in the fifties. People who have grown up in an urban apartment house can relate to the American Dream of finally buying their own home in the quot;country.quot; Perlmutter defines country as any place where there is some grass, a tree, no garbage room, and no subway. The seductions of childhood continue to old age. Lured by the outdoor exploits of her childhood friends, Tom, Huck Finn, and Heidi, Perlmutter has spent seven decades following her own passions for nature and adventure. From childhood adventures in the dark basements of her apartment house to adult adventures in mountain meadows, Perlmutter dragged her family on nature adventures. One day in California, when Perlmutter was in her late forties, her family was sitting at a resort pool in Lake Tahoe recovering from another adventure. When he finished sulking, her husband...
