Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Tales About the Mythology of Greece and Rome My readers may be a little surprised to find that I have turned my attention to Mythology, and to confess the truth, I am somewhat surprised at the circumstance myself. One undertaking, however, led me on to another, so that I could scarcely avoid writing the present book. It is intended as a sort of companion to my Tales about Ancient and Modern Greece, and my Tales about Ancient Rome with some Account of Modern Italy. But though my principal design has been to make it agreeable and useful to young people, by adopting a familiar style, and by introducing many engravings, as well as a variety of curious anecdotes, illustrating what has been handed down to us of the deities of ancient days, yet have I still endeavoured to render my work fit for general use.
