Caramel Tree Readers, United States, 2014. Paperback. Book Condition: New. 211 x 145 mm. Language: English . Brand New Book. The Caramel Tree Readers Level 5 is a delicious series of leveled readers for children ages 7 to 9. With approximately 4,000 words each, the stories provide students the opportunity to expand their reading skills by witnessing character development and more complex plots. These stories expose students to fluent prose, including idioms and colloquial language as well as more complex grammatical structures. Karl s new class project is really difficult, especially when everyone else in the class seems to have such amazing projects. Karl is in big trouble when everyone in class thinks he has a super cat, and he must find a way to turn his problem into an opportunity.
