HAKUIN ON KENSHO: THE FOUR WAYS OF KNOWING

[DOWNLOAD](#)

Shambhala. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 7.7in. x 5.5in. x 0.3in. Kensho is the Zen experience of waking up to ones own true nature of understanding oneself to be not different from the Buddha-nature that pervades all existence. The Japanese Zen Master Hakuin (1689-1769) considered the experience to be essential. In his autobiography he says: Anyone who would call himself a member of the Zen family must first achieve kensho-realization of the Buddhas way. If a person who has not achieved kensho says he is a follower of Zen, he is an outrageous fraud. A swindler pure and simple. Hakuins short text on kensho, Four Ways of Knowing of an Awakened Person, is a little-known Zen classic. The four ways he describes include the way of knowing of the Great Perfect Mirror, the way of knowing equality, the way of knowing by differentiation, and the way of the perfection of action. Rather than simply being methods for checking for enlightenment in oneself, these ways ultimately exemplify Zen practice. Albert Low has provided careful, line-by-line commentary for the text that illuminates its profound wisdom and makes it an inspiration for deeper spiritual practice. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
