

Nutrition Essentials for Nursing Practice (7th revised international ed)

By Susan G. Dudek

Lippincott Williams and Wilkins. Paperback. Book Condition: new. BRAND NEW, Nutrition Essentials for Nursing Practice (7th revised international ed), Susan G. Dudek, Master the nutrition content you need for success with Nutrition Essentials for Nursing Practice, a practical reference you can use throughout your education and into practice. Throughout the book, the author demonstrates the importance of nutrition to all aspects of nursing practice and emphasizes what you really need to know about nutrition. The Seventh Edition reflects the latest evidence-based practice and nutrition recommendations, while maintaining its nursing process focus and emphasis on patient teaching. You can prepare for the board exam with each chapter's NCLEX-style study questions. You can apply nutrition concepts to real world scenarios through intriguing case studies in every chapter. You can get involved in real world clinical challenges with 24 online Disease-Oriented Interactive Case Studies. Each case study ends with ten NCLEX-style test questions and five open-ended critical thinking questions. Be ready for teachable moments with patients through the popular Quick Bites features that offer short, compelling food details and facts. You can test your knowledge with chapter-opening True/False questions tied to chapter Objectives. (An answer key appears at the end of the chapter)....

Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.
