I get inspired by many things but I am a conflicted romantic and poetry is my vehicle to sanity. In the real world romance is dead but on paper I can bring it to life. I have been told that I have a unique perspective on love and romance and you will know it is me when you see it written. Take a look and see if you think the same. The book begins with a unique collection of poems that takes you through a love s journey that begins with euphoria and ends in pain. Something just about all of us can attest to. A sample: My Vow To You I make this solemn promise to you: To be your lover when you need to be loved, your doctor when you are ill, your army when you go to war, your umbrella when life rains down on you, your rock when you get weary, your shield when you need defense, .I am yours, all of me.
