NIGHT SHADE BOOKS, United States, 2016. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. None strikes the note of cosmic horror as well as Clark Ashton Smith. In sheer daemonic strangeness and fertility of conception, Smith is perhaps unexcelled by any other writer. H. P. Lovecraft Clark Ashton Smith, considered one of the greatest contributors to seminal pulp magazines such as *Weird Tales*, helped define and shape weird fiction in the early twentieth century, alongside contemporaries H.P. Lovecraft and Robert E. Howard, drawing upon his background in poetry to convey an unparalleled richness of imagination and expression in his stories of the bizarre and fantastical. The Collected Fantasies series presents all of Smith's fiction chronologically. Authorized by the author's estate and endorsed by Arkham House, the stories in this series are accompanied by detailed background notes from editors Scott Connors and Ron Hilger, who in preparation for this collection meticulously compared original manuscripts, various typescripts, published editions, and Smith's own notes and letters. Their efforts have resulted in the most definitive and complete collection of the author's work to date. The Door to Saturn is the second of five volumes collecting all of Clark Ashton Smith's tales of fantasy, horror, and science fiction. It includes all of his stories from *The Door to Saturn* (1930) to *The Hunters from Beyond* (1931), as well as an introduction by Tim Powers.
