*It is one of the best publications. It is definitely simplistic but exciting in the 50 % in the ebook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest pdf for ever.*

Sunday Morning is a commentary of my personal testimony living life as a Gay African-American Male who is Christian. Though Sunday Morning is in many ways controversial, due to mis-practiced edicts of the Lord, it is glorified in the Body of Christ. Sunday Morning stands in direct contrast to the organization called the church in its practices and postures on issues that are not new to God, but has established organizational protocols that do not Honor God, but rather the organization that demands solidarity at all cost. If it were not for answered prayer, constant communication, provision, and guidance from the one who is all powerful, all knowing, and omnipresent I guess I would have to accept the punishment of man, but after review of my life, I have to testify as to what God has done and how He accepts me for me. It has been a long time coming and yet Sunday Morning offers my experience with God and offers several Meditations that have helped me over every obstacle, through every battle, and to stand in the evil days. It is based on the Christian perspective and is proof that God knows my name because my name is written in the Lambs Book of Life. It is proof that God uses who He chooses. It is evidence that circumstance does not decide fate and it offers the simple truth that ALL things are of Christ and of ALL things He consists. Let us...
