

The Texas Model: Prosperity in the Lone Star State and Lessons for America - 2014 Edition

Filesize: 4.68 MB

Reviews

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 178 pages. Dimensions: 10.0in. x 8.0in. x 0.4in. The Texas Model: Prosperity in the Lone Star State and Lessons for America, 2014 Edition, is a project of the Texas Public Policy Foundation. The book compares Texas to its large state peers and details why Texas is increasingly the destination for Americans seeking a better life. The Texas Model describes a state with low taxes, modest government, and a lawsuit climate that allows entrepreneurship to flourish while encouraging job creation. The book also introduces and details the Soft Tyranny Index for both the federal government and the 50 states, looking at the extent to which government exerts a controlling influence on the lives of Americans in a manner Alexis de Tocqueville presciently warned about in *Democracy in America* in 1835. The Texas Public Policy Foundation is a 501(c)3 non-profit, non-partisan research institute based in Austin, Texas with Brooke Rollins as its President and CEO. The Foundations mission is to promote and defend liberty, personal responsibility and free enterprise in Texas and the nation by educating and affecting policymakers and the Texas public policy debate with academically sound research and outreach. The public is demanding a different direction for their government, and the Texas Public Policy Foundation is providing the ideas that enable policymakers to chart that new course guided by these principles: Individual Liberty Personal Responsibility Free Markets Private Property Rights Limited government This item ships from La Vergne, TN. Paperback.
