Telemetry Monitoring Issues, VA Eastern Colorado Health Care System, Denver, Colorado Appendix B System Director Comments System Directors Comments to Office of Inspector Generals Report The following System Directors comments are submitted in response to the recommendations in the Office of Inspector Generals report: OIG Recommendations Recommendation 1. We recommended that the VISN Director ensures that the System Director evaluates the telemetry program in its entirety. Concur Target Completion Date: Completed This recommendation covers an area where we had placed great emphasis and were improving prior to the Healthcare Inspection visit. After these two incidences it was determined that Critical Care RNs were to be assigned to the land phone lines. Additionally, the surgery telemetry patients were temporarily (mid-February through April 2009) housed in the SICU pending the installation of the central computer station with printing capability. Most recently, the System Director requested that the VISN 19 Patient Safety Officer review and evaluate the improvements in the telemetry program. This review and evaluation of quality and safety was conducted on October 27-30, 2009. To insure timely notification of abnormal rhythms, in October 2008 charge nurse pagers were replaced with cellular telephones to be carried 24 7. Unit staff nurses were also issued cordless telephones. Managers developed and disseminated guidelines for the communication process using the dedicated cordless and cellular telephones that included documentation expectations for shift-to-shift handoffs. In addition, a process for testing the functionality of each cellular and cordless telephone at the beginning of each shift was developed and implemented. Per policy, unit...
