GRAMMAR: A STUDENT'S GUIDE

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 1994. Paperback. Book Condition: New. 234 x 165 mm. Language: English Brand New Book ***** Print on Demand *****.This introductory guide to grammar explains one hundred basic grammatical terms. A knowledge of such terms, and how they interconnect, is crucial for an understanding of the structure and function of language. Each entry is divided into sections, providing a clear explanation, examples, exercises, and highlighting the main contrasts and interrelationships between the terms. Many entries contain a for interest section which sets out further fascinating points, often drawing on some of the more exotic languages of the world, or discussing important contemporary issues, such as dialects, standard language, and sexism in language. Clearly written and easy to use, this book will be an invaluable source of information for students of language and linguistics.
