Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from How to Conduct a Children s Health Conference The conference may be a potent means of stimulating public interest in infant and child hygiene. The organization of infant-welfare or milk stations, establishment of a public-health nursing service either in the town or the country, etc., often follow the holding of such conferences. Age limit of a conference. The conference may be limited to children under school age that is, any baby or child under the age of 6 years free from communicable disease may be considered eligible for the conference. In some cases, especially in communities where it is desired to demonstrate the value of medical inspection of school children, children of all ages up to 14 years may be admitted for examination. Safeguarding a conference. - The most important consideration in arranging a conference is to provide conditions which are safe and comfortable for the children. The bringing together of a large number of children always involves a risk of spreading infection, which is especially great at the time of any general epidemic, such...
