

Overcoming Perfectionism: Finding the Key to Balance and Self-Acceptance

Filesize: 5.05 MB

Reviews

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).
(Prof. Erin Larson I)

HEALTH COMMUNICATIONS, United States, 2013. Paperback. Book Condition: New. Revised and expanded ed. 214 x 138 mm. Language: English . Brand New Book. Anything worth doing is worth doing well. Practice makes perfect. Winning isn t everything, it s the only thing. Failure is not an option. In today s perfection-obsessed culture, these are the maxims we live by. Yet, the damage that they cause is stifling. Renowned author and pioneer of codependency treatment Ann W. Smith knows this first hand. Smith has dealt with her fair share of perfectionism and has bared witness to this all too common phenomenon in her professional life, having spent the last thirty years studying the impact compulsive disorders have on individuals and family. While perfectionism lacks much of the stigma attached to today s most common compulsions smoking, gambling, sex addiction, alcoholism, and drug abuse many of the negative connotations on self and the family system are the same. In this revised and updated edition of the original, groundbreaking book **Overcoming Perfectionism: The Key to a Balanced Recovery**, Smith describes the key differences between overt and covert perfectionism; the role early attachment, temperament, sibling relationships, and life circumstances play in developing this pattern; and how to shift toward a center of balance for a more fulfilling life. Readers will learn how to identify and confront the root cause of their problem, how to reveal and accept their essence, and finally, they will learn the importance of forgiveness and letting go. Additionally, readers discover the key characteristics of a healthy family system, along with the single most important lesson of all perfection does not exist.
