Createspace, United States, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Rainbow Hues is a collection of poems that blends the earthly with the ethereal and cloaks Nature in its picturesque beauty and innate grandeur. Valsa is a close observer of Nature and its myriad moods. In this collection, Nature becomes a palpable presence, a living entity, pulsating with life and emotions. Valsa's writings stem from moments of inspiration drawn from the world around her. Birds and animals are her companions and sources of poetic inspiration. She has enlarged her world to encompass and embrace all living creatures and the whole of Nature. In her poems, there is the music of rivers and streams, the murmur of leaves, the whispers of the breeze, the roar of winds, the undulations of the sea, the warbling of birds and the whirr of crickets and they carry us to Nature's serene loveliness. To her, the best way to unwind is to get lost in the heart of Mother Nature, as there is something enchantingly and infinitely healing there. The poet's fancies fly exultant even at the sight of a flower and its radiance galvanizes her imagination. Her poems are paintings in rainbow hues where she depicts the changes in Nature minutely as the world wheels its silent course through the four seasons!.
