## Winning at Work Against All Odds

---

By Ashwani Lohani

Wisdom Tree, New Delhi, India. Softcover. Book Condition: New. This book is based on the firm belief that all you have to do to win at work is to manage the 3 M's: men, money and material in a time-bound manner with a clear objective in mind and value systems unflinchingly in place. Once this happens, no odds are big enough to stop you from emerging as a winner. Going beyond management jargon, Ashwani Lohani, one of India's most accomplished bureaucrats, credited with turning around organisations like India Tourism Development Corporation (ITDC) and Madhya Pradesh Tourism shares his inspiring tale of grit and determination in his inimitable passionate and forthright style. A must read for all managers from the corporate world and PSUs, this book reveals the inside story of working in the government. Printed Pages: 212.
