Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Two Oxford University professors wrote a paper called, The Future of Employment: How Susceptible are Jobs to Computerization? In the paper, the professors show that 47 of jobs have a high likelihood of being replaced, automated, or outsourced over the coming years. It s a harsh reminder for us all that making more money or starting a business is now a necessity. In today s economy, with the right idea, it s an amazing time to start a business. Business Ideas offers over one hundred of those starting points designed to thrive during the coming technological age. These ideas are just waiting to be blended with your own expertise, research and work ethic. There is more noise than ever online. In the whirlwind of that noise are two voices. One voice says ideas are worthless while the other voice thinks they re priceless. The hard truth about any business or money making idea is that they re both worthless and priceless at the same time. They re worthless if they re bad ideas, or if you don t take the next step and execute on them. On the other hand, the person who takes an idea, executes, and builds it up has an opportunity to make them priceless. The ideas throughout this book are ready for you to put in the work necessary to make them priceless. I m willing to bet that if you read these ideas and blend them with your own experience and expertise, you ll find a starting point uniquely suited for you. Business Ideas contains over a hundred ideas in different categories and industries, all of which are poised to...
