DIRT WORK: AN EDUCATION IN THE WOODS (HARDBACK)

Beacon Press, United States, 2013. Hardback. Book Condition: New. New.. 226 x 163 mm. Language: English . Brand New Book. A lively and lyrical account of one woman s unlikely apprenticeship on a national-park trail crew and what she discovers about nature, gender, and the value of hard work Christine Byl first encountered the national parks the way most of us do: on vacation. But after she graduated from college, broke and ready for a new challenge, she joined a Glacier National Park trail crew as a seasonal traildog maintaining mountain trails for the millions of visitors Glacier draws every year. Byl first thought of the job as a paycheck, a summer diversion, a welcome break from the real world before going on to graduate school. As she invests herself deeply in new work, the mountains, rivers, animals, and weather become teachers as well. While Byl expected that her tenure at the parks would be temporary, she ends up turning this summer gig into a decades-long job, moving from Montana to Alaska, breaking expectations--including her own--that she would follow a professional career path. Returning season after season, she eventually leads her own crews, mentoring other trail dogs along the way. In *Dirt Work*, Byl probes common assumptions about the division between mental and physical labor, women s work and men...
