

Success from the Start: Your First Years Teaching Secondary Mathematics

By Robert Wieman, Fran Arbaugh

National Council of Teachers of Mathematics, U.S. Paperback. Book Condition: new. BRAND NEW, Success from the Start: Your First Years Teaching Secondary Mathematics, Robert Wieman, Fran Arbaugh, You just signed your first contract to teach secondary maths. You're excited, but you probably have many questions and concerns: What do I do when students don't "get" the lesson? How can I help students who struggle with math that they supposedly learned in elementary school? How do I arrange for students who are absent to make up the work? Do I assign seating or let students choose their seats? Should I have students work in groups? How much homework should I assign--and how much should I grade? Though you may envision your classroom as a place where students engage with mathematics and learn important content, you may also worry about how your teaching will actually play out--how you and your students will interact and what they will learn. Based on classroom observations and interviews with seasoned and beginning teachers, this highly useful book offers valuable suggestions to improve your teaching and your students' opportunities to learn. The authors explore both the visible and invisible aspects of teaching and offer proven strategies to make the work...

Reviews

This book will not be straightforward to start on studying but really fun to read. it absolutely was writtern really flawlessly and helpful. You can expect to like just how the writer write this publication.

-- **Glenna Goldner**

Merely no phrases to describe. Better then never, though i am quite late in start reading this one. Its been written in an extremely easy way which is merely following i finished reading this publication through which in fact transformed me, change the way in my opinion.
