Reviews

Certainly, this is actually the greatest job by any author. It is definitely simplified but excitement inside the 50 percent of the book. I am just easily will get a delight of studying a composed pdf.
(Lelia Heidenreich)

CONTINENT

Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Continent, Jim Crace, Jim Crace's acclaimed debut novel explores an imaginary seventh continent, subtly different from any in the world we know. Its landscapes, wildlife, customs and communities are alien, even frightening but the continent's inhabitants are nonetheless disarmingly familiar, known to us through their loves, their hopes, and their struggles to make sense of life. On its first publication over twenty years ago, this captivating novel marked the arrival of one of the most imaginative minds at work: a writer capable of transporting his readers to a strange and wonderful landscape while revealing the humanity within the mirage. 'Continent invites and sustains comparison with Borges' David Lodge 'A remarkable first novel' John Fowles.
