Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Inside the Other Side: Soul Contracts, Life Lessons, and How Dead People Help Us, Between Here and Heaven, Concetta Bertoldi, Psychic medium Concetta Bertoldi knows how it is: Heaven is perfection. Life on Earth is the tough part. It's here we need to meet challenges, learn lessons, and grow spiritually even as we cope with our sense of aloneness and not enough-ness or the loss of a loved one. Through all of this our guardian angels, those who have crossed to the Other Side - or the dead guys, as Concetta calls them - offer us loving, behind the scenes assistance. In her latest book, Concetta explains the importance of the agreements we make with God before being born into a new physical life; gives advice on coping with life's difficult issues, from relationships to a lack of abundance, to illness and aging, and coping with loss, as well as ways anyone can get more in touch with the Other Side and call on their own angels for help.
