As you know, parenting can be challenging and there has never been a time more challenging for parents and children. Our children are being exposed to drugs, alcohol and sex at earlier and earlier ages. Bullying is rampant. What can a parent do to guide their children safely through these trying times? You can *Arm Your Child* with the practical tools they need to not just survive but thrive in today's rapidly changing world. These tools are the same ones taught in reputable martial arts programs around the world that help children evolve into productive members and leaders of society. Using the tools found in this book the martial arts continues to help children of all ages develop the self-discipline needed to stand up to life's temptations and the courage to follow their dreams. This book will help you help your child develop the self-esteem, self-discipline and self-confidence they need to be able to say no to harmful attractions. It will help them develop the courage they need to solve problems that arrive in their life on their own. It will help you keep their life full of enthusiasm and develop a better relationship with your child.
