Research Within the Field of Education, Its Organization and Encouragement, Vol. 1 (Classic Reprint)

By Ellwood Patterson Cubberley

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Research Within the Field of Education, Its Organization and Encouragement, Vol. 1 I have been asked to state some of the more fundamental administrative problems, financial in nature, which are at present in urgent need of study and which may be solved, in part at least, by united effort on the part of students of education. Without taking time for any preliminaries, and without attempting to present any comprehensive outline, I will briefly describe three major administrative problems upon which we can profitably expend a large amount of effort. The present status of educational organization and interest makes the study of these three problems especially opportune. I. The Problem of Finance The problem which underlies all other problems in school administration is the problem of securing adequate finance. Many things we desire and talk about very much are impossible until this key problem - finance - has been solved in a satisfactory manner. Almost everywhere this is a pressing problem. But few states have as yet evolved any rational scheme either for the raising of...
