Random House USA Inc, United States, 2011. Paperback. Book Condition: New. 202 x 128 mm. Language: English . Brand New Book. A remarkable work of reportage by Nobel Prize Laureate V. S. Naipaul that surveys belief and religion among the disparate peoples of Africa. Like all of Naipaul s travel books, The Masque of Africa encompasses a much larger narrative and purpose: to judge the effects of belief (in indigenous animisms, the foreign religions of Christianity and Islam, the cults of leaders and mythical history) upon the progress of civilization. It is a masterly achievement by one of the world s keenest observers and one of its greatest writers.
