Outskirts Press, United States, 2014. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Poetry in-veils the properties of space, words vast and infinite, not minute varices engorged little and bled less. Poetry is ripples cascading through the universe, dialects advancing and receding like tides on the psyche. It is death and failing, more life then allowed, more sorrow then endurable. Lies and deceptions, open, visible, tactile, feelings unfelt, love unrequited and darkness plundered. The pinnacles of our evolution, new Genesis new scriptures, neo-saints, immortality that records itself and makes us, the reader, believe. Every page is steeped in shadows; every metaphor is a scrim behind which a macabre dance is enacted, human crime, constant siege, disparaging and revelatory, seasons toil, yet eternity is reserved for them alone. This is poetry; this is the book you have before you.
