I was born and raised in Los Angeles, CA. In my early years we lived in Watts, on 113th street, and attended Mona Park elementary school. We moved to Compton, CA when I was in the second grade. I graduated from Enterprise Junior High School and Centennial Senior High School. After graduating from high school, I realized that I was just barely qualified to work in a car wash. I joined the Air Force in 1964 and served for four years as a data processing technician. After being honorably discharged in 1968, I worked as a computer operator and programmer while going to school full time on the G. I. Bill. I graduated from La Verne University with a degree in Sociology in 1974 and thought I was ready to change the world. Unfortunately, the world had other ideas! I went back into data processing. I guess these books are an attempt to make a statement before my time, in this world, is up. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
